Write new words that you learnt while reading about Pirates. Look up the meaning of these words in the dictionary. You could also make your own flashcards to help learn the meanings of the words or to learn how to spell them.

Write the word on the top line and the meaning on the lines at the bottom.
There is also room for the child to draw a picture.

Print out as many pages as you need and staple together as a booklet when finished.

The children could also made a cover for their pirate vocabulary book if they choose to.
