To Use Smelly Shoe Spray:

Add

- *30 drops essential oil*
- *half fill bottle with witch hazel*
- *fill rest of bottle with distilled water*

Screw on a spray lid and shake to mix.

Spray on the inside of your shoes.

Note: With leather shoes, make sure you don't spray the leather, just the foot pad. Or, if you prefer not to use a spray, you could add some essential oils to a cotton ball and put the ball inside each shoe when not in use.
