Glacier or Iceberg

Cut and Paste Activity

Cut out the boxes on this page and paste them on the correct pages – glacier or iceberg. Then research glaciers and icebergs and answer the questions.

only
found on
land

are formed
when snow
falls faster
than it melts

they may
move slowly
and create a
large valley

are huge
masses of
densely
packed ice

can be
above and
below the
water

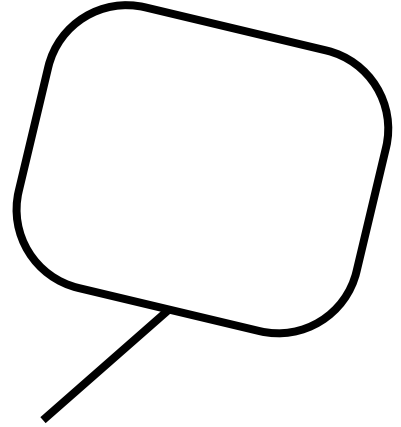

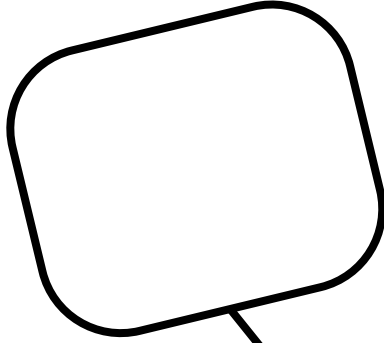

can be
dangerous
to ships
passing by

a piece
broken off
glacier

floats in
water

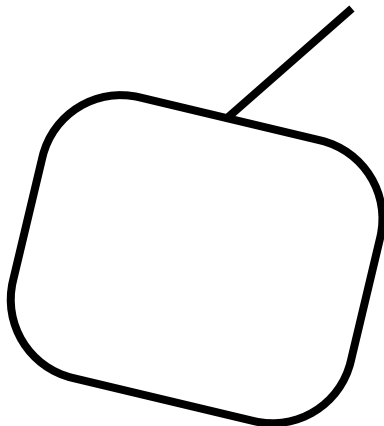

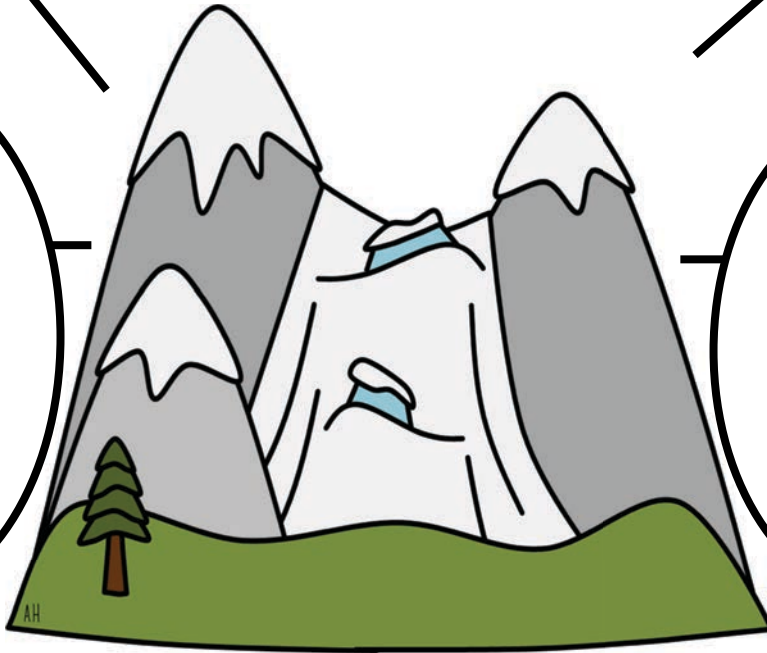

Glaciers

What is a glacier?

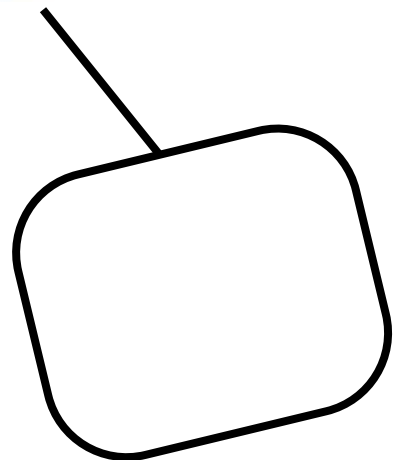

Why are glaciers sometimes blue?

Types of glaciers:

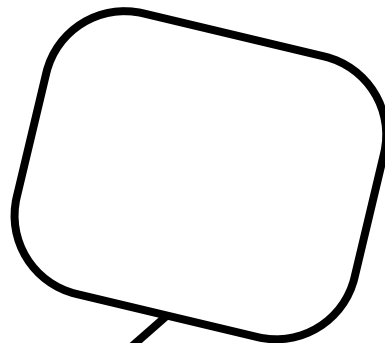

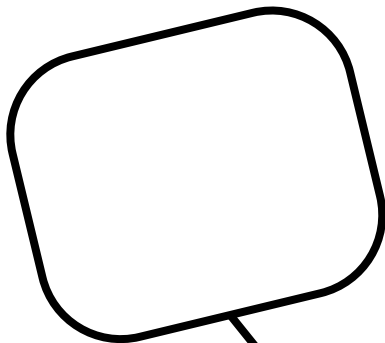

How are glaciers created?

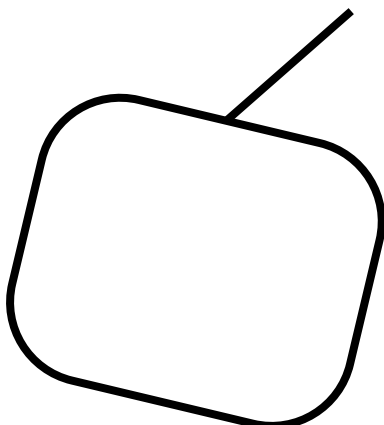

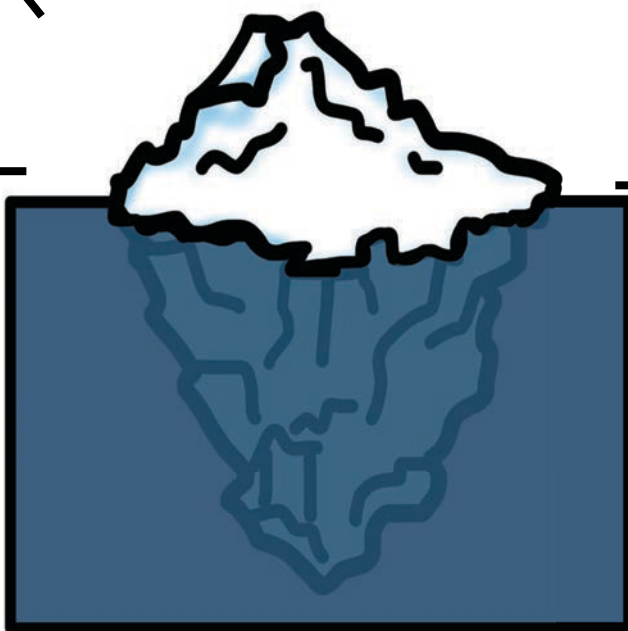

Icebergs

What is an iceberg?

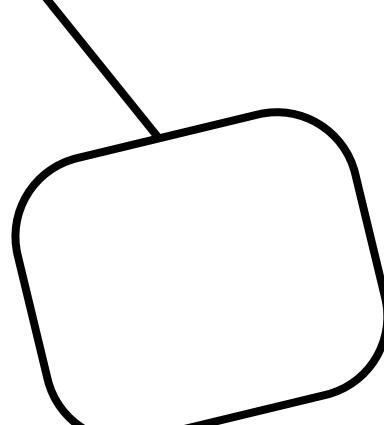

Why are icebergs sometimes black?

Types of icebergs:

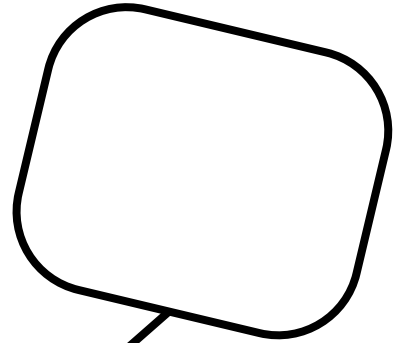

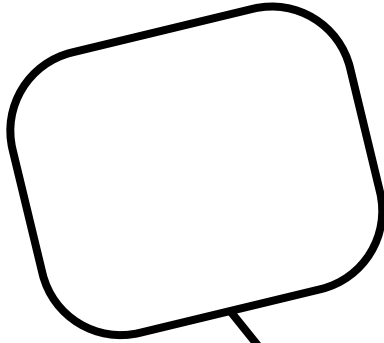

How are icebergs created?
